

67947
Granulitic Breccia
2.43 grams

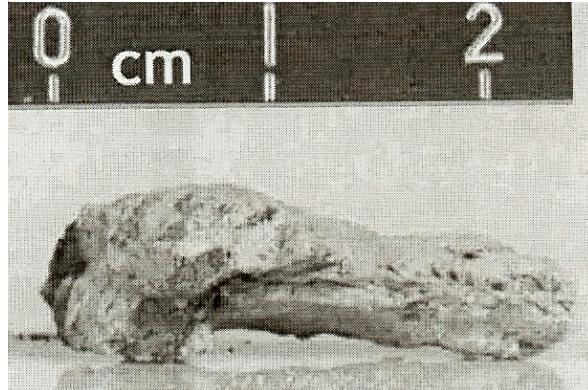

Figure 1: Photo of 67947. S72-38977.

Introduction

Sample 67947 is a “walnut” from soil 67941. Stöffler et al. (1985) classified 67947 as a granulitic breccia, after looking at a thin section and measuring its REE content (figure 2). There is only one thin section.
